§6—414.

(a) Each licensee shall:

(1) Keep a record of each asbestos removal or encapsulation project that it performs; and

(2) Make that record available to the Department at any reasonable time.

(b) The records required by this section shall be kept for at least 6 years.

(c) The records required by this section shall include:

(1) The name and address of the individual who supervised the asbestos removal;

(2) The location of and a description of the project and the amount of asbestos material that was removed;

(3) The starting and completion dates of each instance of removal;

(4) A summary of the procedures that were used to comply with all applicable standards;

(5) The name and address of each asbestos disposal site where the waste containing asbestos was deposited; and

(6) Any other information that the Department requires.
